## REACH Compliance Statement

Product name: FA326 provided by AMT Ltd.

The product indicated above is compliant with REACH Regulation (EC Regulation 1907/2006). This registration entitles AMT Ltd. to manufacture/import the substance, or product or import an article containing it.

The tonnage band **between 1 and 10 tonnes/year**

The registration number is: **01-2120752204-63-0001**

The registration date is: **05 August 2021**

**Further observations**

In accordance with Article 20(2) of REACH, the completeness check ascertains that all the elements required have been provided. However, this check does not include an assessment of the quality or adequacy of data provided. Such an assessment may occur later in a compliance check.

Also, the verification of the eligibility for any claimed fee reductions (for example such resulting from the declared company size) is not part of the completeness check, but it may follow at any time in accordance with Article 13(3) of Fee Regulation (EC) No 340/2008.

In accordance with Article 22(1) of REACH, registrants are on their own initiative required to update their registrations without undue delay with relevant new information (for instance, change in status, substance composition or quantities).

Certain information from this registration dossier will be published without further notice at <https://echa.europa.eu/information-on-chemicals>.

Should you have any questions please contact ECHA via the contact form at <https://echa.europa.eu/contact>.

**Disclaimer:**

The declaration is exclusively for our customers and respective competent authorities. It is not intended for publication either in printed or electronic form (e.g. via Internet) by others. Thus, neither partial nor full publication is allowed without written permission by Additive Manufacturing Technologies Ltd. The aforementioned data or information is based on our current knowledge, experience and information provided by the suppliers. In view of the many factors that may affect processing and application of our product, these data do not relieve processors from carrying out their own investigations and tests; neither do these data imply any guarantee of certain properties, nor the suitability of the product for a specific purpose. Any descriptions, drawings, photographs, data, proportions, weights etc. given herein may change without prior information and do not constitute the agreed contractual quality of the product. It is the responsibility of the recipient of our products to ensure that any proprietary rights and existing laws and legislation are observed. This statement does not constitute the legally binding Safety Data Sheet.
